Imphal, the 16th February, 2024

No.8/25/2021-SS/SIS (FLN): As the Academic Session of 2024 commences, expectations for the new entrant students of Grade 1 in our schools are reaching new heights. It is paramount to extend a warm welcome to these young learners, ensuring they feel embraced and valued in their educational journey.

Implementation of Vidya Pravesh in both Government and Private schools will serve the above purpose. This is a 3-month play-based school preparation program for Grade 1 students which serves as a cornerstone of the NIPUN Bharat Mission on Foundational Literacy and Numeracy, a vital initiative outlined in the NEP 2020. Efforts have been diligently exerted across all states to train primary teachers on Vidya Pravesh and implementation started from the academic session 2023.

For the academic Session 2024, Zonal Education Officers shall ensure all the schools to implement the Vidya Pravesh programme for children entering Grade I. For further clarification, an infographic video, guidelines and module on Vidya Pravesh are available at:

Samagra Shiksha Manipur endeavors to oversee the progress of Vidya Pravesh in schools. Zonal Education Offices, therefore, shall ensure that schools admitting Grade 1 students organize a simple 'Welcoming Function' for these budding students. Additionally, ZEOs are required to submit reports of implementation after every 1 month of the 3 months Vidya Pravesh Program.

To facilitate smooth reporting, two formats - Annexure I and Annexure II - have been provided for actions to be taken at both the school and district/Zonal levels.
